FOREWORD

The year 1920 marks the centennial of our state, also the tri-centennial of the first permanent settlement of New England at Plymouth.

Both will be marked by the one word, "Progress." As "Maine, My State," will be the popular watchword, so let "Androscoggin, My Grange," be our watchword by which to renew our loyalty and interest thereto, and by that means, be prompt and ready to do all we can to make the year 1920 our best year.

Officers for 1920

MAINE

In the old days when this store was established, it was literally the truth without exception that the proprietor greeted every customer who entered the store by name. He knew and counted as friends practically everyone in the town and surrounding community. Today, when the village of yesterday is a city of considerable population, the old order of things so far as knowing personally all customers is concerned is reversed. But when it comes to friends, the old order still rings true. Just as in the old days, friendly service and honest transactions have the first call in our policy, and though it is impossible to know all of our customers intimately, we feel that we are friends, and we cherish the relation that exists between us in the way we would were we very firmly bound together through intimate association with each other.

Your Elixir Saved My Life

WORDS OF A MAINE MAN

Henry O. Hanley of 17 Cross Street, Belfast, Maine, writes us: "I am feeling lots better and think your Elixir (Dr. True's Elixir) saved my life."

Dr. True's Elixir is a great medicine, a Family Laxative and Worm Expeller. It tones the stomach, moves the bowels and expels worms. Surprising it is how many people have worms. Children suffer agony from worms. Signs or symptoms of worms are: Deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pain about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

Get Dr. True's Elixir from your dealer. The cost is small. It expels worms and restores health. No better laxative made for young or old. Millions have used it. On the market 66 years. 40c, 60c, \$1. Write us.

Dr. J. F. True & Co.
